7th January, 2012

Dear parents,

A programme to promote healthy eating will be started this month. We will check the list of the meals from the school's food producer. We hope that lunch boxes in this year have more healthy ingredients than those in the previous years. We would like to encourage students to pay more attention to what they eat.

Both students and parents have to know the importance of eating healthily. A lot of people think that healthy food doesn't taste good, so they choose to have fast food. However, having healthy eating habits can make us stronger. Therefore, we should encourage our students to build up healthy eating habits.

I hope you can prepare some healthy food at home as well. Let's create healthy eating habits with students together!

Yours sincerely,

Andy Wong

Dear choir members,

Choir practice will be on Fridays this term. Please come to the school hall, not the music room, at 3:15pm. We will practise songs from the musical The Sound of Music. Miss Cheung will play the piano for us.

There will be a concert at the end of the term on 16 December at City Hall. You must wear a white shirt and a black skirt or black trousers to the concert. Don't forget to put the date down in your diary!

Our class went on a short trip to the Sunny Island Holiday Village on Cheung Chau Island last weekend. I arrived at the ferry pier in Central at eight thirty in the morning. When Miss Ho and all my classmates turned up at nine, we got on the ferry. The ferry ride was nice. It took about half an hour to reach the island.

As soon as we got off the ferry, I saw a girl who was wearing a beautiful red dress and a hat. It was Angie, my cousin! What a surprise to run into her! She was there with my uncle and aunt to enjoy a relaxing holiday. Since the weather was hot and there was no shelter along the way, our class went by bus to the holiday village.

When we arrived, Miss Chan led us to the activity room and put us into groups. Miss Chan gave us our room keys. We put our bags into our rooms and went back to the activity room. Then we started to play some group games. Miss Chan wanted us to learn the importance of teamwork, so we played games like tug-of-war and did a three-legged race. After that, we had some free time to enjoy the facilities in the holiday village. I played mini-golf and went bowling with my friends. Before we left, we took a class photo with Miss Chan. It was a wonderful trip and I am already looking forward to another school trip!
